

Kobe Jones

Code Book for history_raptor_by_team.csv

I love the game of basketball because of the environment and the astrosphere it brings to the table. Seeing a data set about basketball is very interesting to me because the way I love the sport.

data obtained by https://github.com/fivethirtyeight/data/blob/master/nba-raptor/historical_RAPTOR_by_team.csv by Ryan Best and Jay Boice

Raptor_offense	This is the total points the team has put up.
Raptor_defense	This is the total amount of points let up.
Raptor_Total	This is the total amount of stats the team has. The points let scored and points scored resulting in negative or positive outcomes.
